Dance Festival

Friday 11th June at 2.30 p.m.

On the playground

(weather permitting)

Parents are welcome to join us

The Dance Festival is to commemorate the life of Sarah Battle, a former pupil, who sadly died of neuroblastoma cancer 5 years ago. Many of you will remember her or know her family.

Sarah was very brave, and while she lived was a great example to us all. Let us be thankful for the wonderful courage, which she showed during her illness, and for the hard work of the doctors and nurses. Although we are sad on this occasion and still miss her, let's remember the cheerful and good times she had and that we spent together. We are also thinking of her family at this difficult time.

Sarah loved to dance and it seems fitting that we commemorate this day with a school dance festival.

PLEASE NOTE

If the weather prevents us from going ahead on the playground the dance festival will take place in the gym. Sadly, due to lack of space we will not be able to accommodate parents. I apologise for this, but hope that you understand.
